YEAR 1: Comprehension Worksheets

BEN AND THE GIANT BUBBLE

Ben loved making bubbles.

He filled a big bucket with soapy water.

Ben dipped his wand and blew a HUGE bubble.

The bubble grew bigger than Ben!

It lifted him gently into the air.

Ben saw his house, the trees, and his dog wagging below.

Pop! The bubble burst, and Ben landed softly on the grass.

He laughed and said, "Let's do that again!"
