### **BEN'S BIG SANDWICH**

Ben was very hungry after school. He went into the kitchen and decided to make a sandwich. First, he took two slices of bread. Then, he added cheese, lettuce, tomato, and some chicken.

Ben made the sandwich very big! It was taller than his juice cup. He took a big bite and smiled. "Yum!" he said.

Then his little sister came in. "Can I have some?" she asked. Ben smiled and shared half of the sandwich with her. They both enjoyed it together.
