YEAR 2: Comprehension Worksheets

THE RAINY DAY PICNIC

Lena and her family planned a picnic in the park on Saturday. They packed sandwiches, juice, fruit, and a big blanket. Lena was very excited and helped her mum make the sandwiches.

On Saturday morning, Lena woke up and heard the rain tapping on the window. She looked outside and saw grey clouds and puddles everywhere. "Oh no," she said. "We can't have a picnic in the rain!"

But her dad had an idea. "Let's have the picnic inside!" he said. They laid the blanket on the living room floor, put the food out, and played music. It wasn't the same as the park, but Lena still had a wonderful time with her family.
