The Frog with Bright Shoes

One day, a little frog found a pair of shiny red shoes by the pond. He looked around—no one was there. So, he tried them on.

"Wow!" said the frog. "These are fast shoes!"

He ran so quickly that the ducks flew up, the fish splashed, and the leaves went flying.

But then—uh oh! One shoe flew off and landed in the mud. The frog had to hop and hop until he found it again.

When he put it back on, he said, "No more zooming today!"

The frog sat on a rock, smiled, and watched the clouds go by in the sky.
