Here is a sample narrative writing from a year 2 student  
- Advanced level

### The Adventure of Max and Coco

One day Max the cat was bored. He looked outside and saw the sun. "Let's go outside!" he said.

Coco the bird flew down from her tree. "Okay! Let's find something fun."

They walked through the grass. Max saw a butterfly and tried to catch it. Coco laughed, "You are too slow!"

Then they found a small cave behind some bushes. It was dark, but they were brave.

Inside the cave, they saw shiny rocks. Max said, "Treasure!" Coco said, "Let's take one back!"

They ran home fast and showed their rock to Mum. She said, "What a shiny rock!"

Max and Coco smiled. "We are real adventurers!"
